July Meeting and Program

Mobile night!

Our July Club meeting will be Mobile Night, an evening celebrating all things mobile and portable. Members will meet in the parking lot at 7:30 and display their mobile setups. This is a great way to see how other op's mount their rigs and antennas, and tap power from their vehicle's electrical system (sometime a challenge). If you have a portable setup that may be of interest, bring it along and show it off. Note that carrying your HT in your back pocket does not qualify you for a Mobile Night Certificate. Now if you were to operate roller skate or bicycle mobile, the awards committee would look favorably on your effort.

If you are unable to make it to the parking lot, COME TO THE MEETING which will begin promptly at 8:15. After a short business meeting we will enjoy "Mobile Night Cake". Hope to see many of you at the meeting this Thursday. ~73 de Jim, WA3YLQ

RF Hill Picnic

RF Hill's Annual Picnic will be held this year on Thursday, August 29th at the Pavilion in Menlo Park, Perkasie. This is a great time to just hang out with other hams. Bring your favorite portable ham gear, your family, and most importantly, some great food to share with everyone. And if you know of someone who might be interested in our club or ham radio in general, this is a great opportunity for them to check us out!

RF Hill Hamfest

Despite the current hot, sultry weather, the fall is right around the corner—and with it will come our annual Hamfest. This year's Hamfest will be on Sunday, October 20th. Stay tuned for details!

July VE Testing

Two ARO's from the local area appeared for testing. One earned a new Technician License, and David Lennon, KC3NQB, upgrade to General. David had been a ham in the '70's, but left the hobby due to extensive travel commitments. He took his Tech in June.

Congratulations to both!

Thanks to the following VE's for assisting: KS3Z, N3CRP and KW3P.

Jim Soete, WA3YLQ, VE Team Liaison
