# RF Hill Hamfest

**The RF Hill Hamfest is Sunday, October 20th.** We will set up on Saturday afternoon, time and details will be discussed at the September Club Meeting. See the article on Hamfest Operations in this issue.

On Sunday, the 20th, the early morning crew should show at 5:30 AM. We will have to set up the front gate staging lane and be ready to **SELL TICKETS** and **PARK CARS!** Last year the entrance gate was packed at 0600 hrs. KB3EWV has been the early morning greeter, but he needs **HELP!** The bus shuttle starts at 6:30. A volunteer should be ready to ride the bus promptly at 6:30! The Hamfest ends at 1 PM. As soon as the PA is broken down and we clean up, we will be out' a there!

This is our BIG Club fund raiser of the year, so needless to say this is an all hands effort! If you know your schedule and can commit to a show time, I would appreciate knowing this in advance. Thanks for your help! If there are any questions please contact me or one of the Board members.

Jim Soete, WA3YLQ

## September VE Testing

Three Technician Class candidates appeared on Monday, Sept. 16th. The two passing individuals were from Royersford and Mt Airy, Philadelphia.

Thanks to the following VE's for helping with session: K3UCI N3RSG and KW3P.

Two sessions remaining this year. One at the RF Hill Hamfest, Oct.20th, and the regular session at the Library in November.

Jim Soete, WA3YLQ,  
VE Team Liaison

# 2019 RF Hill Hamfest Operations

## Here is a list of tips and procedures for Hamfest:

Our comm. Frequency is 146.460 simplex, charge your batteries!

Dress warm (!) and bring a flashlight or two.... We will supply vests.

Gates (3, Main Driveway, Branch St. and Creek side), Creek side and Branch St. walk-in's, charge **\$7.00 admission per ham**. Main Driveway, charge **\$7.00 per ham** plus **\$8.00 per car** for the first table. **The minimum admission charge for a vehicle is \$15.00. Do not charge for additional tables**, a crew will circulate and collect for extra tables. Non-ham spouses and kids are free at all gates. **Note: Do not collect for indoor tables. Direct seller to the ramp to the building. After unloading, we will find them a place to park.**

Handicapped Parking is at the main gate.

Main Gate Buyers are directed to the lot at US Gauge, Diamond and Clymer Ave. Arrangements can be made for large purchases to be picked up at the fire house.

Bus, Member riding bus, welcome attendees **AND collect \$7.00** admission on bus. Explain that they can return with their vehicle to pick up large purchases.

Firemen, parking spaces closest to fire house must be kept open for fire fighters.

VE Candidates, any ham who says they are here to take a **test may ride bus and attend ham fest at no charge.**

VE Session begins at 10:00 AM at the Nase-Kraft American Legion across the street.

## Tailgating Parking

Please try to fill up the upper lot first, then the lower lot. Our "advertised" frontage for tailgating is 9 feet. This is based on the width of a vehicle that pulls or backs into a space. We always seem to have some non-conformists that want to park "the other way". This is fine if they have requested (paid for) three or more spaces, other wise **wrong way parking is discouraged!**

Discounts for multiple tables are available. Please contact me or a Board member for guidance.

Thanks in advance for your efforts!

73,.

Jim, WA3YLQ
